I, _____, understand that the permission to come to/leave the program is a privilege.
Child's Name

I have received this privilege because my parents/guardians and MLBCC teachers think that I am responsible enough to be safe while I'm away from the program.

By signing this contract, I agree to the following expectations:

Additional expectations may be written in by parent/guardian or Site Director

- I will always check in with a Site Director when I arrive or before I leave.
- I will always sign myself in when I arrive or sign myself out before I leave.
- I will only go to the destination agreed upon by my parents/guardians and will go directly there. I will tell the Site Director where I'm going before I leave.
- I will act safely while away from the program (cross streets at crosswalks or lights, not talk to any strangers, etc).
- I will make my best effort to leave or arrive at the time specified in this form.
